THE
LEAN DIAMONDS
AWARDS

Lean Diamonds Awards Criteria

1. IMPACT

- Did the case clearly show how the lean implementation impacted the organisation, its employees and/or society?
- Is the lean journey clearly presented?
- Does the case provide evidence of how the organisation is delivering more value with lean practices?

2. EMPLOYEE ENGAGEMENT

- How well did the case engage and integrate employees towards change?
- How well is the lean implementation embedding new ways of working towards continuous improvement and innovation?
- Is the case providing evidence of employees' eagerness to develop and apply a lean mindset?

3. APPLICATION OF LEAN METHODOLOGIES

- Did the case clearly explain the successful application of lean methodologies and tools?

4. NOVELTY

- How innovative or unique is the case?
- Does the case provide evidence of the emergence of new lean practices?
- Has the case organisation developed any novel lean approach or practice?

5. PROBLEM SOLVING & CONTINUOUS IMPROVEMENT

- How well is the organisation enabling the creation of a problem solving / continuous improvement culture?
